Why The Herald-Republican Gives Premiums:

Wasatch Copper Mining Company

Salt Lake City, Utah... Salt Lake City, Utah... Salt Lake City, Utah... Ogden, Utah...

The mainstay of every newspaper is its circulation, as the greater the circulation the greater the amount of advertising patronage bestowed upon that paper.

Our coupon system of giving premiums is conducted solely for the purpose of building circulation.

The Herald-Republican already has by far the largest circulation of any paper in the State of Utah, but it is still going after circulation. By this coupon plan the clipper is given an opportunity to get valuable premiums at a price far below the actual cost. We buy these articles in large lots, and then we shave the factory price enough to make a particularly attractive offer to the coupon clipper.

It is never too late to start clipping coupons—one number is as good as another, as long as you miss no numbers after you start. The numbers MUST BE CONSECUTIVE.
